

PROGRAMME

EMODnet: A decade of achievements connecting marine data to knowledge

14:00-14:05	Welcome & Introduction	Kate Larkin EMODnet Secretariat
14:05-14:10	Formal opening	Christos Economou DG MARE
14:10-14:20	Before EMODnet, the objectives & its impact on the marine data landscape and the life of its users - A personal perspective	Koen Verbruggen Geological Survey Ireland
14:20-14:30	Sneak preview - 10 years of EMODnet in 10 minutes (video)	
	Showcase of the thematic lots & data ingestion with focus on main achievements since 2009	
	The EMODnet vision	Iain Shepherd DG MARE
	EMODnet, an evolving network	Jan-Bart Calewaert EMODnet Secretariat
14:30-15:10	A light-speed run through 10 years of network achievements	Alessandro Pititto, on behalf of & with input from all thematic coordinators COGEA, EMODnet Human Activities Coordinator
	Q&A	
15:10-15:20	Short break (10 minutes)	
	Testimonials from EMODnet Data Providers : what are the benefits and added value	
	Introduction	Patrick Gorrige SMHI, EMODnet Physics & EMODnet Ingestion
15:20-15:35	IBCM & MediMap: The Early Beginnings of EMODnet	John Hall Geological Survey of Israel
	EMODnet & Southern Ocean Observing System	Pip Bricher SOOS
	T-MEDNet data ingestion into EMODnet	Nathaniel Bensoussan T-MEDNet
15:35-15:45	Achievements and outputs of the EMODnet Sea-basin Checkpoints	Quillon Harpham HR Wallingford, EMODnet Associated partner
	Panel with representative users : how is EMODnet used and for what purpose?	
	Alessio Maglio SINAY - Marine Data Solution	
	Telmo Carvalho Portuguese Institute for Sea and Atmosphere (IPMA)	
15:45-16:25	Berthe Vastenhoude Berring Data Collective	
	Aldo Drago Physical Oceanography Research Group, University of Malta	
	Anna Hermsen The Netherlands Organisation for applied scientific research (TNO)	

16:25-16:30 Short break (5 minutes)

EMODnet for global

16:30-16:50	The vision of mapping the ocean	Mathias Jonas IHO
	EMODPACE-CEMDNET Data Cooperation Between EMODnet & NMDIS	Wan Fangfang & Gao Zhigang NMDIS
16:50-16:55	Forward look to the EMODnet Open Conference in June 2021	Zoi Konstantinou DG MARE
16:55-17:00	Concluding remarks	Andreea Strachinescu DG MARE
