EMODnet Open Conference: One more week to submit your poster abstract!

The banner features a dark blue background with a stylized ocean floor. Icons represent various marine science fields: Bathymetry (ship), Human Activities (offshore wind turbines), Biology (fish), Physics (wave), Chemistry (molecule), and Geology (seabed). The EMODnet logo and European Union flag are prominently displayed. Text includes the conference dates (14-16 June 2021), the event type (ONLINE EVENT), the hashtag #EMODnetConference, and the website www.emodnet.eu/en/conference2021. A quote reads: 'Connecting Open Data, Delivering Marine Knowledge: A Vision for 2030.' A small text box on the left states: 'An EMODnet Jamboree, with partner meetings of the 7 thematic and data ingestion, upon invitation, will take place on 17-18 June 2021.'

Be part of the [EMODnet Open Conference \(14-16 June 2021\)](#) and submit your poster abstract by **Monday 12 April 2021!**

EMODnet welcomes the EMOD-network and wider community to submit abstracts for **posters relating directly to EMODnet open access data, data products, applications and interoperability across data services**, across the following themes:

- EMODnet contributors
- EMODnet for users
- EMODnet for innovation
- EMODnet partnerships

All approved abstracts will produce an **electronic poster** which will be made available fully online for participants. In addition, each poster will submit a **1-minute pitch presentation**, to be screened during plenary sessions.

Key dates

- Deadline abstract submission: **12 April 2021**

- Notification on abstract acceptance: **By 19 April 2021**
- Deadline to submit your e-poster & 1-minute pitch video (once your abstract is approved): **1 June 2021**
- EMODnet Open Conference 2021: **14-16 June 2021**

Submit your poster abstract

Join us at the online EMODnet Open Conference 2021 and help us design the next phase of EMODnet!

The EMODnet Open Conference 2021 will gather EMODnet partners and wider stakeholders and is open to all. It will provide a unique opportunity to **set goals for the future of EMODnet to 2030 and beyond**, to recognise and further develop existing and emerging partnerships, and to listen to marine data providers and users experiences and appreciation of the value of EMODnet data, data products and services, and what can be done further to optimise the user experience.

As well as **plenary presentations, panels and breakout discussions**, participants are invited to submit an abstract for an **online poster, to be presented as a 1-minute pitch** presentation in plenary sessions. The event will take place fully online.
