

Regional ecosystem monitoring: data for policy needs

David Connor

European Commission

DG Environment Unit C.2 – marine environment & water industry

EOOS Conference

21-23 November 2018, Brussels

Environmental policies need data

- **Protect Europe's seas & safeguard human health**
 - **EU rules & policies**
 - **Regional & international conventions**
 - **National policies**
- **Policies require monitoring, e.g.**
 - **CFP Data Collection Framework (DCF/DC-MAP)**
 - **Marine Strategy Framework Directive monitoring programmes**
- **Policies require access to data, e.g.**
 - **INSPIRE Directive**
 - **MSFD Art. 19(3)**
